

Reserves back to their best

Staines Town Reserves 0, Wycombe Reserves 3.

AFTER three successive home defeats Wycombe Reserves regained their winning form with a conclusive 3-0 victory at Staines Reserves in the Suburban League North Division on Saturday.

Staines, fielding five first team players who were ineligible

for their Surrey Senior Cup tie, went behind in the 40th minute. Terry Scott back-headed in a Mark Richardson corner, and before the Staines defence had regained their composure Wycombe struck again, through Andy Hunt.

Chris Way played a brilliant game holding onto everything the Staines forwards could throw at him although he hurt his ribs in a second half goalmouth incident, but recovered to play out the rest of the game.

Scott, who looked sharp throughout the match, scored his second, and Wycombe's third, in the 76th minute. West took a free kick four yards in from the corner flag, and Scott rose above the defence to head the ball home.
